Career

Because you find it hard to stay with same job for too long a time, you should find a career in such areas as salesmanship, where you are constantly meeting new people. Your job should provide many transfers and relocations so you will constantly be in new environments with different people and different job responsibilities.

Occupation

You are not fitted for any calling that is decidedly strenuous, nor do you care for too much responsibility. You do not mind work, in fact work agrees with you, but it must not involve a load of responsibility. While you are prepared to turn your hand to almost anything, it is very noticeable that you have a decided flair for all that is cultured and clean. In addition, you may have noticed that an occupation which brings you in contact with bright lights and a certain amount of gaiety suits you far better than one that relegates you to loneliness and quiet. As a matter of fact, your own quiet nature cannot tolerate quiet surroundings and it yearns for brightness and anything cheery.

Health

You put a high price on your comforts. As an outcome of this trait, you are something of a gourmet and enjoy your food. In fact, you do not eat to live but, rather, live to eat. It is not surprising, then, to find that your digestive apparatus will be the portion of your body which will give you the most concern. Do not neglect such ailments as indigestion and, when they come, do not try to cure them by means of drugs. Take moderate exercise such as walking and mild physical jerks. Breathe plenty of fresh air, put yourself on a rational diet and eat fruit. However, if it prolongs you must visit a doctor. After fifty years of age, beware of inertia. You will be apt to give up this and that, and grow into an individual who loses his hold on life. Keep up your interest in things, develop your hobbies and remember that nobody can grow old if they mix with younger people than themselves.

Hobbies

Outdoor pursuits engage much of your leisure time and you find them exceedingly beneficial. The fear is that you may overdo them and harm your constitution. You love movement in the open. Thus, if horse-riding does not attract you, it is certain that you enjoy the pleasures of fast motoring or perhaps, a long journey in a train, as well as a pleasure trip. You take a keen interest in educating yourself, using books or educational visits for the purpose. More than likely you gain far more satisfaction than knowledge from the effort.

Love Matters

You take love very seriously. In fact, you approach it in such a manner that the object of your affections is likely to be frightened away. Once the course of true love runs smoothly, you show that your affections are deep and real. You will make a very sympathetic partner and the person whom you marry will have your undivided love. You will want him or her, however, to listen attentively to your troubles. But, you will not have the patience to give a sympathetic ear to others.

Finance

In matters of finance you will be fortunate and will be likely to acquire considerable wealth. You will be careful in speculation, investing your money in solid concerns and in building up industry and business. As a rule, you will be more lucky in money matters than otherwise, having much given to you and meeting great opportunities. If you had to go into business you would make a success of enterprises connected with the luxurious side of life more than any other, such things as the decorations of homes, millinery, dresses and flower shops, the catering of food, restaurants or hotels. Your class of brain is of a very clever order but so quick and versatile that you would tire easily of any routine or monotonous life.

Education

Your way of attaining knowledge is different from others, which makes your path of education quite smooth. You do not hold onto things for a long time and welcome new changes in life. This special trait of your character helps you in gaining mastery over more than one subject. Many times, you maintain a delusional attitude towards your studies because of your emotional turmoil. You should not give birth to such situations as it can block your path of attaining education. You will receive a considerable amount of support from your teachers and they will not take a backseat in providing you guidance. Your bond with your teacher will get nurtured and you will lead a successful life. As you are quite industrious, you will devote your time in subjects where you lag behind and earn your expertise over this particular subject also.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Second house from Lagna, while in the Moon chart Mangal is placed in Fifth house.

Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Moon in your 10th house:

The 10th house is in every manner ruled by Saturn. This house is aspected by the 4th house, which is similarly ruled by Moon. Hence the Moon in the 10th house ensures a long life of about 90 years for the native. Moon and Saturn are inimical, therefore, medicines in liquid form will always prove harmful to him. The milk will act as poison if taken during night. If he/she is a medical practitioner, dry medicines administered by him to the patient will have a magical effect for cure. If a surgeon, will earn great wealth and fame for surgery. If the 2nd and 4th houses are empty money and wealth will rain on him.

If Saturn is placed in the 1st house, the native's life will be destroyed by the opposite sex, especially a widow.

The things and business represented by Saturn will prove beneficial for the native.

Remedies

- (1) Visits to religious places of worship will enhance the fortune of the native.
- (2) Store the natural water of rain or the river in a container and keep it within your house for 15 years. It will wash off the poisons and evil effects generated by the Moon in the 10th house.
- (3) Avoid taking milk during night.
- (4) Milch animals can neither live long in your house nor will they prove beneficial or auspicious.
- (5) Abstain from wine, meat and adultery.

Mars in your 2nd house:

The native with Mars in the 2nd house is generally the eldest issue of parents, or else he or she would always like to be treated so. But living and behaving like a younger brother would prove highly beneficial and ward off several evils automatically. Mars in this house provides great wealth and properties from the in-laws' family. Mars negative here makes the native a snake in disguise for others and causes death in war or quarrels.

Mars with Mercury in the 2nd house weakens the will power and undermines the importance of the native.

Remedies

- (1) The business associated with Moon, e.g., trade in cloth, will provide great prosperity, hence strengthen Moon.
- (2) Ensure that your in-laws make arrangements for providing drinking water facilities to the common people.
- (3) Keep deer skin in the house.

|| Lal Kitab Prediction ||

Hence both will affect each other adversely. Consequently, if the native engages himself in the trade of gold or jewelry, then the things of Venus like wife, wealth and property will get destroyed.

As long as two you are together, the native will continue gaining honour and wealth despite the fact that the spouse and his/her family may be suffering because of ill health and other problems. The native is admired by people of opposite sex and inherits the property of father. He/she may be benefited by lottery or property of a person having no issues, if the 2nd, 6th and 8th houses are auspicious and Saturn is not placed in the 10th.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
